

We need your consent!

It has become ever more complicated to organise our Holidays with the amount of contact and personal information that we need to keep track of.

This information includes Name, Address, Telephone Numbers, Email Address, your usual Pickup Point, Membership of National Trust and English Heritage and whether single or joint bookings are made. In addition, for the holidays your room preference and Next of Kin (NOK) details have been requested.

We will capture this information from trip application forms and build a spreadsheet which is specifically restricted to access by Margaret Pavlidis and Geoff Sharp together with anyone specifically helping us with a holiday (and no-one else) and is pass-worded to protect your information. We will not disclose this information to any other party except where it is needed specifically to facilitate the trip that we are organising or that it is to your benefit to do so. An example of this would be the Logistics Company that we will use on all residential holidays and for which you would normally complete an application form requiring this information.

The **General Data Protection Regulations (GDPR)** require us to obtain your specific consent for us to hold and use this information.

Please understand that this is been done solely to make our tasks less onerous and to improve the service that we seek to provide to you.

Would you please either email the details on the form below to geoff@maggeo-travel.co.uk or alternatively return the form to **Geoff Sharp, 3 Addlestead Road, East Peckham, Tonbridge TN12 5DU**. If you wish to discuss this further you are welcome to call Geoff on 07774 43 30 36.
